RE: RDA 25th

Dear Jack;

It was great to see you again at your reception celebrating RDA's 25<sup>th</sup> anniversary. Congratulations on 25 successful years!

I never had any doubts that yours would be one of the top firms in the area, even as far back as when you first started and our two Firms were talking about joining forces. It was enjoyable back then, working with you and, on occasion, competing against you. Our professional relationship since I came to this position at the Service Authority has only strengthened my opinion of RDA. Your Firm has always been very professional and responsive in serving the Service Authorities needs these past ten years in site planning, surveying, environmental assessments, and general civil design projects. Please pass on my appreciation to your staff. I look forward to continuing our excellent working relationship with them.

Again, Congratulations!

Sincerely,  
Prince William County Service Authority
